DRIVING SKILLS

- Box Truck / Straight Truck Driving
- Valid Driver's License
- Loading, Unloading & Cargo Securing
- Furniture & Equipment Handling
- GPS & Route Navigation
- Vehicle Pre-Trip Checks

WORK STRENGTHS

- Safety-First Mindset
- Schedule & Time Management
- Physical Stamina
- Independent / Self-Managed
- Customer Communication
- Process & Detail Oriented
- Reliable, Shows Up on Time

Hands-on box truck driving experience plus years of operations and production work in fast-paced, physical environments. Works independently, follows procedures, and shows up ready to get the job done on schedule.

EXPERIENCE

Box Truck / Straight Truck Driving

Independent · Personal Moves & Minor Construction Hauling · Ongoing

- Operated U-Haul and box-style straight trucks for residential moves and construction material hauling.
- Loaded, secured, and transported furniture, equipment, and building materials without damage or incident.
- Planned routes and handled all logistics independently, door-to-door, on tight timelines.

Apprentice Electrician

Hunt Electric / Blackrock Electric · Herriman, UT · ~1 Year

- Completed full electrical installs on 1 unit per day in crews of 2-5, consistently hitting daily production targets. Physical, time-sensitive work with no room for error.
- Managed tools and materials across active job sites; coordinated tasks with crew to keep work on schedule.
- Operated under strict safety standards in a zero-tolerance environment; all work performed to NEC code from technical schematics.

Operations & Facilities Manager

Pinecrest Christian Conference Center · Twin Peaks, CA · ~2 Years

- Coordinated logistics, scheduling, and equipment movement for a 600+ guest facility with 10+ staff across multiple departments.
- Managed vendor relationships, supply delivery, and on-site transport of materials and equipment.
- Owned safety and compliance standards across all departments, including high-risk operations where mistakes weren't an option.

Tool Crib Manager / Assembler

L3 Technologies · Salt Lake City, UT · ~3 Years

- Managed 100+ calibrated instruments on an active manufacturing floor, tracking location, availability, and compliance on a tight schedule.
- Restructured the entire tool distribution system from the ground up, cutting retrieval time and eliminating missed production deadlines.
- Assembled military-grade communications components to strict zero-error specifications, where precision and accountability were required daily.

General Manager

Little Caesars · Riverton, UT · ~1.5 Years

- Ran daily operations of a high-volume location, including opening/closing, inventory, scheduling, and customer-facing accountability.
- Met production and fulfillment targets consistently under time pressure in a fast-paced environment.

Data Conversion Specialist

Harrison Chiropractic & Wellness · Taylorsville, UT

- Completed a large-scale project 6-8 months ahead of schedule through efficient self-management and process improvement.

EDUCATION

Salt Lake Community College, Taylorsville, UT
52 Credits toward Associate of Science in Computer Science

IEC Utah, Electrical Apprentice Program

Technical training in electrical theory, wiring methods, and NEC code application
