Comfortable owning the moving parts — scheduling, tracking, vendor coordination, and keeping operations on time.

EXPERIENCE

Tool Crib Manager / Inventory Coordinator

L3 Technologies · Salt Lake City, UT · ~3 Years

- Managed a calibrated inventory of 100+ precision instruments on a live manufacturing floor, tracking availability, maintenance schedules, and compliance for production teams.
- Ran inventory and asset tracking through SAP, keeping records accurate and parts available to keep production on schedule.
- Restructured the entire tool-crib system from the ground up, cutting retrieval time and eliminating missed production deadlines.

Operations & Facilities Coordinator

Pinecrest Christian Conference Center · Twin Peaks, CA · ~2 Years

- Coordinated schedules, workloads, and daily logistics for 10+ staff across multiple departments serving a 600+ guest facility.
- Managed inventory, equipment, and vendor relationships; served as the primary point of contact for operational issues.
- Enforced safety and compliance standards across all departments while keeping day-to-day operations on time.

General Manager / Operations

Little Caesars · Riverton, UT · ~1.5 Years

- Held full P&L responsibility for a high-volume location; managed all scheduling, ordering, and day-to-day operations.
- Coordinated inventory and supply ordering to keep the location stocked and running without interruption.
- Built and delivered training programs, developing managers across 6+ Utah locations and reducing turnover.

Data Conversion & Records Coordinator

Harrison Chiropractic & Wellness · Taylorsville, UT

- Managed a large-scale records digitization project end to end, tracking progress and maintaining data accuracy.
- Built automation workflows that completed the entire project 6–8 months ahead of schedule.

ADDITIONAL EXPERIENCE

Apprentice Electrician

Hunt Electric / Blackrock Electric · Herriman, UT · ~1 Year

- Read blueprints and schematics, coordinated materials, and supported commercial installs on schedule.
- Logged 960+ hours toward electrical apprenticeship licensure requirements.
