STRENGTHS

- Fast Learner / Self-directed
- Process Improvement
- Strong Communication
- Safety & Compliance
- Leads by Example

Retail and operations manager who has led teams, owned P&L, and built training systems that actually stick. Hands-on experience across high-volume environments, multi-location oversight, and fixing process gaps that were costing time and money.

EXPERIENCE

General Manager / Corporate Trainer

Little Caesars · Riverton, UT · ~1.5 Years

- Held full profit & loss responsibility for a high-volume retail food location; managed all hiring, scheduling, and day-to-day store operations.
- Built and delivered training programs for teams of 5+ and developed General Managers across 6+ Utah locations, improving consistency and reducing turnover.
- Identified and fixed systemic gaps in company training procedures, strengthening team performance across the board.

Operations & Facilities Manager

Pinecrest Christian Conference Center · Twin Peaks, CA · ~2 Years

- Directed teams of 10+ staff across multiple departments, coordinating schedules, workloads, and daily operations for a 600+ guest facility.
- Enforced safety and compliance standards across all departments; managed inventory, equipment, and vendor relationships.
- Served as the primary point of accountability for all operational issues, from facilities maintenance to guest experience.

Tool Crib Manager / Assembler

L3 Technologies · Salt Lake City, UT · ~3 Years

- Managed a calibrated inventory of 100+ precision instruments on a manufacturing floor, tracking compliance, maintenance schedules, and availability for production teams.
- Restructured the entire tool crib system from the ground up, cutting retrieval time and eliminating missed deadlines.
- Assembled military-grade communications components to strict zero-error specifications.

Data Conversion Specialist

Harrison Chiropractic & Wellness · Taylorsville, UT

- Managed a large-scale records digitization project; built automation workflows that completed the entire project 6-8 months ahead of schedule.

Apprentice Electrician

Hunt Electric / Blackrock Electric · Herriman, UT · ~1 Year

- Worked in crews of 2-5 completing full electrical installs on 1 unit per day, coordinating tasks, managing materials, and hitting daily production targets.
- Logged 960+ hours toward electrical apprenticeship licensure requirements.

NOTABLE PROJECTS · TECH & AUTOMATION

WCAG Accessibility Scanner

Launched SaaS product | [wcag-scanner-two.vercel.app](#)

- Independently designed, built, and launched a subscription software product, handling product development, pricing strategy, and customer-facing delivery end to end.

Token Firewall & Local AI Automation Agent

Open Source | [github.com/inoahaipro](#)

- Built tools that automate repetitive phone and computer tasks, cutting manual steps and ongoing software costs.

EDUCATION

Salt Lake Community College, Taylorsville, UT

52 Credits toward Associate of Science in Computer Science

Coursework: Object-Oriented Programming (Java/C#), Database Fundamentals, Technical Writing

IEC Utah, Electrical Apprentice Program

Technical training in electrical theory, wiring methods, and NEC code application
